All families are required to volunteer for PI.

This is part of the registration fee for all families that are part of the Ponderosa Westador Swim Team.

If you did not submit a PI check and fail to complete the 8 hours of required work your swimmer will not have been properly registered and will not receive an invitation to the end or the year awards and or an award.

Please understand that our intention is not to prevent children from receiving an award, our intent is to have a profitable fundraiser.

PI is our only fundraiser and it requires many hours of volunteerism. To sign up please see Erika Ellington during practice.
